K.H. Government Degree College

Dharmavaram – 515 672. Ananthapuramu Dist.

www.khgcdmm.ac.in

Profile of the College

K.H. Government Degree College located in Dharmavaram, popularly known as the Silk-City of Andhra Pradesh, was established in 1982 to cater the needs of rural and downtrodden section of the town and the surrounding villages. Its avowed mission is to produce useful and well-meaning graduates with a secular and democratic out-look.

With a humble beginning and gradual growth, the College has been providing education to the wards of poor families who work at silk houses. It has been establishing cordial relations with the community who are always willing to extend their helping hand for the development of the college. The uniqueness of the college is that it is the only college that offers Sociology in the State. It has been introducing the new courses such as Computer Applications, most recently Tourism and Travel, keeping in view of the demand. The College has enough infrastructure and excellent sports equipment to serve the requirements of the students. It has been organizing various academic, cultural, and sports events and winning the laurels from the other colleges in the district. Indeed, it has produced a large number of responsible personalities in all walks of life. The erstwhile hockey state-level hockey and chess players were the products of this college.

The Teaching Staff is committed and hardworking always aiming at imparting meaningful and impartial education and striving towards to offer quality education, to improve the standards of the students, to ignite their minds, to develop their critical acumen, and above all transform them into a good human being. They interact with the students in a friendly and empathetic manner and feel responsible to teach all the essential skills that the students should possess and achieve their goals.

Dr. Talanki Jeevan Kumar
IQAC Coordinator

Dr. K. Prabhakar Reddy
Principal

VISION

- To render value based higher education for the students hailing from predominantly rural and poor socio-economic background
- To develop the institution into a multidimensional educational centre that responds to the basic as well as changing needs of the student community.
- To provide quality higher education that builds knowledge, wisdom, confidence, skills, values and various capabilities that are needed by the students for pursuing higher learning, joining workforce and playing a vital citizenship role.

MISSION

- To establish comparability of competence at the end of Education, reinforce the integrative aspects of society and culture and also establish a value system necessary for an egalitarian democratic and secular society.
- To inculcate among the students a sense of discipline, perseverance as well as spirit of tolerance.
- To make them realize the importance of dignity of labour and to motivate them to dedicate themselves in social service activities.

OBJECTIVES

- To provide quality higher education to more number of students especially from rural and backward areas.
- To provide skill-based courses for training the future citizens in the quality and creative areas of work.
- To follow rules of reservation as well as preference to the disadvantaged students at the time of admission and to conduct remedial programmes.
- To practice variety of student-oriented learning activities like seminars, assignments, project works, group discussions, debates etc.
- To conduct a core course of Environmental Studies to all students and organize other activities like Eco Club.
- To impart value education through different papers namely “Indian Heritage and Culture”, “Science and Civilization”, “Citizenship education” and “Human Values & Professional Ethics” to all students and to conduct various extracurricular activities.
- To inculcate employment-oriented skills through all courses and especially through restructured courses and also through career guidance and Jawahar Knowledge Centre.
- Courses like B.Com. (Computer Applications) and two papers in Computer Basics introduced students to the ICT.
- Through various activities by NSS units and other programmes, the sense of community service is inculcated among the students to build modern India.
