As the Students are scheduled with End Semester Examinations, online quiz is conducted on the eve of International Consumer Right's Day, World Water Day as a part of curricular activities. Students were also made to participate in the online Webinar conducted by the Department of Commerce at GDC, Dhone.

In Co- curricular activities, NSS UNIT organized a special camp at adopted village, Gotluru for one week, conducted a survey of unemployed youth in the village, plantation programme is also conducted at Gram Sachivalay Office. In order to increase the admissions of the College, the staff members carried out College Campaigning at various Junior Colleges on the last day of Second year Intermediate Examination.

INTERNATIONAL WOMEN'S DAY

08, Mar 2023

WOMN EMOWERMENT CELL

The WOMEN EMPOWERMENT CELL OF the College has celebrated International Women's Day on 07 March 2023 due to Government declared holiday on 08 March 2023 on the occasion of Holi.

The main objective of the day is to remind the immense efforts of women in the society in all walks of life. The theme of this year is "DigitALL : Innovation and technology for gender equality". To celebrate the advancement of the transformative technology and digital education. Also examine the impact of digital gender gap on economic and social inequalities and need to protect women rights on digital platforms. As per the United Nations only 37% of women are inaccessible to internet.

Dr. Chittemma, Coordinator of Women Empowerment Cell has organized a quiz for the students in the college. The quiz has three rounds. One round is images of great women personalities who are specialities in their fields starting from research to business. A total of 5 groups participated in the quiz each group having 3 members.

The I & II prize winners were handedover biographies of women personalities to each member of the group as an appreciation by Dr. K. Prabhakar Reddy, Principal and Dr. T. Jeevan Kumar, Vice- Principal Dr. S. Chittemma, Coordinator of Women Empowerment Cell.

World Water Day

22, Mar 2023

As per the World Water Report by UNESCO, the usage of water has been increased by 1 % per year over the last 40 years.

It has been estimated that the water scarcity faced by urban population will grow from 933 million to 1.7 – 2.4 billion people in 2050

Over the decades, it has been observed that water – energy – food – ecosystem is a powerful approach to address the water problems. Over 2 billion people world wide are unable to access safe drinking water even in 2020s and more than half of the World's population is experiencing severe water crisis all through the year these problems are going to increase by time. However less than 1 % part of the water is fresh and usable for drinking but due to climatic changes that are taking place are affecting this water resource as per the SDG Report 2022.

In order to address these issues to the students S. Pavani, Lecturer in Physics has prepared online quiz to inform the students about the severity of the situation. The effect of this issue is more in drought prone areas like Ananthapur, Sri Sathya Sai District of Andhra Pradesh.

As per UNICEF's report, 1 in 4 children live in extreme drought conditions by 2040. Chennai, is the first Indian city to use recycled waste water. A total of 125 students have participated in the quiz from various colleges in Andhra Pradesh.

NSS ACTIVITIES SPECIAL CAMP at GOTLURU 25 – 31 Mar, 2023

Dr. B. Gopal Naik, the NSS Coordinator has organized a special camp at Gotluru , the adopted village of KH Government Degree College, Dharmavaram from 25th March to 31 March 2023 for the academic year 2022 - 23 with 50 NSS volunteers of the College.

As a part of the camp, the volunteers divided into teams each team having 4 members and conducted survey in the adopted village, Gotluru. Most of the villagers are occupied with agriculture and silk saree weaving which is profitable in the locality due to the adequate water resource for farming and the popularity for Dharmavaram silk sarees has been a beneficiary occupation for the youth of this village and have young entrepreneurs in this area who export sarees to other states, big shopping malls etc.,.

Day 1 : The survey is carried out in the area of Gotluru after inauguration programme at Gotluru Sachivalayam in the presence of Dr. K. Prabhakar Reddy, Principal, Dr. T . Jeevan Kumar, Pitta Narasamma Gram Sarpanch Vice- Sarpanch A. Gangadhar and the NSS volunteers. The volunteers were given general instructions for carrying out survey the way of approach to an unemployed, college dropouts or discontinued individuals of the age between 15 an 29 years.

Day 2 : The survey conducted on second day being Sunday, yielded good set of members as it is holiday and each volunteer team could complete three survey forms pertaining to unemployment and education. Day 3 : The NSS Volunteers assembled at Gram Sachivalayam at Gotluru and the teams were dispersed for conducted survey in the adopted village Gotluru. In the premises of mandal Parishad Model Primary School, Gotluru. Each team has conducted a survey for 3 families. The Survey questionnaire was sent by the government of India and have 40 questions to be answered by the individual which includes the standard data like Adhaar Number, Home address, number of family members and the data pertaining to socio, cultural and economics status fo the individual including the marital status.

Day 4 : The fourth day of the camp was dedicated to the cleaning programme conducted before the sachivalayam premises which is a cloud of offices that included DR. YSR raithu bhariosaa centre in it.

All the NSS Volunteers cleaned up the mess before these two buildings and in the premises of Mandal Parishad Model Primary School thus promoting Cleanliness by virtue under the guidance of Dr. B. Gopal Naik, NSS coordinator, B. Anand, Physica I Director and T. Ram Mohan Reddy, Guest Faculty in Computer Applications.

The NSS Volunteers on this day conducted rally in the adopted village, Gotluru on various issues such as Importance of Education today's world, Social Service, Sanitation and Hygenic thus promoting awareness among the people how significant are these three things in upcoming of an individual and the locality to be in par with todays world in terms of professional , technological competition as well as health wise . COVID – 19 has once again is an eye opener to today's citizens about the role played of health in economic and social upgradation of society which can only be achieved by good food, clean water and hygenic habits with good sanitation facilities which is gender independent.

The survey program is carried out on the day of public holiday on the occasion of Sri Rama Navami, the NSS Volunteers had an opportunity to interact with the youth who have been working in the other cities namely bengaluru most of them were college dropouts and found that the family financial situation has forced them to join the private sector or unorganised sector. It was interesting to find that they would happily come back to their home town if they could find a job that can pay them here as they do . They were explained about various schemes undertaken bythe government to address the issue of unemployment further regular trainings are scheduled through Employment Office, APSSDC SKILL development programme etc.,.

The last day was dedicated to the plantation programe in the premises of Gram Sachivalayam, A total of 12 samplings were planted in the big ground which was cleaned on the previous day by the NSS UNIT Gram Sarpanch Narsamma cooperated with the volunteers and participated in the plantation programme.
